

## REMARKS

This is in response to the Office Action dated April 14, 2004. In view of the foregoing amendments and following representations, reconsideration is respectfully requested.

In the previous Office Action, the Examiner indicated that the present application is in condition for allowance pending correction of formal matters set forth on page 2 of the Office Action. Accordingly, each of the suggested changes to claim 15 have been made above, thereby obviating each of the outstanding formal matters.

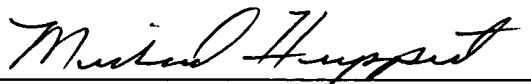

Further, claim 19 has been amended to provide clear antecedent basis for the transferred circuit boards.

In view of the above, it is submitted that the present application is now clearly in condition for allowance. The Examiner therefore is requested to pass this case to issue.

In the event that the Examiner has any comments or suggestions of a nature necessary to place this case in condition for allowance, then the Examiner is requested to contact Applicant's undersigned attorney by telephone to promptly resolve any remaining matters.

Respectfully submitted,

Osamu OKUDA et al.
